BASIC SKILLS TEST FOR EDITCETERA APPLICANTS

At Editcetera, we expect everyone who works under our name to use correct English in all communications. We therefore require applicants for membership to pass the following quiz before moving to the next step of the process.

Instructions: For each of the following sentences, choose the letter of the grammatically correct word or words to fill in the blank. Also note any misspelled words and their correct spelling (with sentence number indicated) in the Notes field at the end of the test.

After you complete your test and the following Experience Checklist, submit this document electronically to info@editcetera.com. Please do not include your name in this document.
